*COMPUSAFE  
IAN – 0824519338*

This is to confirm that we purchased 8 Computer Safes on the 30<sup>th</sup> May 2002 from Compusafe after 2 break ins. We have had no further break ins after installing the safes, and we have not picked up any rust on the safes.

We are happy with his service and would recommend any client to use the safes.

Thanking you

Ethiene Botha
